## Home Challenges

These 4 challenges will need to be completed at home. Each one explains how to complete. They can be done at any time though this year.

### Autumn 1: Understanding Others

We would like the children to find out about how to sign their name using sign language. A great website to learn is <https://www.sense.org.uk/spell-your-name-in-bsl/> - just type in your name to learn how! Children will be asked to share after October half term.

### Autumn 2: Imagine

Dragon's Den Time! We would like children to think of a new creation for our school. What would improve our school? A cleaning robot? A pencil that sharpens itself? Children can bring their ideas to Mrs Grimster in whatever way they choose - a poster/a powerpoint etc

### Spring 1: Push Yourself

Can you get in the Guinness Book of Records! We would like the children to have a go at setting a world record for anything they wish! They could find one to try or make up their own. Just send Mrs Grimster a picture and short piece of information about your record!

### Spring 2: Work Hard

Book Bingo! Complete the Book Bingo challenge form and bring back to Mrs Grimster. A copy of this will be given to each child next half term.

## School Challenges

This year 2 challenges will be completed in school during the summer term.

These will include:

### Don't Give Up

Children will take part in a series of 'Olympic' themed sports challenges to try and improve their fitness and their individual scores each time.

### Try New Things

Children will take part in a new 'music' activity as part of our World Music Day.
